Business
School

The University of South Australia Business School's mission is to develop graduates for global careers and champion business growth in our State. We recognise that to have sustainable economic development, we need greater diversity of women in leadership.

For this reason, we are proud to offer the Women in MBA (WiMBA) scholarship, to enable women with leadership potential to advance their careers into senior management and executive roles.

We are actively addressing leadership inequality through this partnership scholarship with employers, enabling more women to study a Master of Business Administration (MBA).

Organisations who partner with us on this initiative show their commitment to addressing gender diversity in leadership, help grow the female talent pipeline and foster positive economic growth for the Nation.

How does it work?

The WiMBA scholarship is offered by the UniSA Business School in partnership with employers, matching contributions of 50% of MBA tuition fees, to cover the scholarship recipient's full MBA tuition costs.

To maximise success, employers are required to provide flexibility in working arrangements to support study, a career mentor and supportive career pathway options, in addition to the financial contribution.

Submission

Applications must be submitted in conjunction with the complete MBA application, at least three weeks prior to the commencement of the relevant intake study period, in January, April, June or September.

Applications will only be considered complete if all essential criteria for the WiMBA Scholarship and the entry requirements for the MBA are met.

Application Process

1. Nominated Employees to submit scanned or electronically signed copy of the completed WiMBA Scholarship Application Form to mba@unisa.edu.au
2. Nominated Employees must also complete a formal MBA application accessible via unisabusinessschool.edu.au/mba/apply-now
3. Nominated Employees will be invited to attend the WiMBA interview with UniSA's Women in MBA Scholarship Selection Panel
4. The sponsoring employer may be contacted to discuss the application
5. Nominated Employees will receive a written notification from UniSA to verify the outcome of their application
6. Upon receiving written confirmation, successful applicants can then enrol in the MBA courses.

[^] When UniSA and an employer each contribute 50% of tuition fees or \$21,600 over 4 years (as at 2016, and subject to modest annual increase). See terms and conditions for more details
